Now, now, nobody fall over in shock. I know it has been awhile but it has not been *that* long since I slung an email out there! Ok, lots to catch up on. The following is in no order of importance:

CAR SHOW: You saw the previous email re: donations. Also keep in mind that the date is June 12th and we will be needing volunteers. Also, I am guessing that if you were on a specific car show committee last year that you may be on the same committee this year. I could be wrong but just try to keep the date cause we need helpers.

CONVENTION: YO! We need people to help!!! Dates and times to help: April 15 9:30-12:00, 12:00-4:30, & 6:00-9:00; April 16 9:30-12, 12:00-4:30, & 6:00-9:00 and April 17 8:00-12:00. Please contact me or Danny if you are able sign up for a time slot. This will take place during Rockin' Ribs so perhaps BBQ will be an incentive.

EASTER EGG HUNT: This is a call for volunteers for the Easter Egg hunt. The hunt will be March 20th with a rain date of March 27th.

GOVERNMENT DAY: Government day is March 8 and we need volunteers to drive and take kids to Jefferson City. If you are available please contact Danny and he can steer you in the right direction.

MEET & GREET / NEW MEMBERS: Went great for those of you who were too sissified to brave the cold and snow. We had 17 members, 1 spouse of a member and 1 child and 7 prospective members in attendance. The 7 who attended were: Randy Clair, Kay Jones, Jack Isenberger, Paul Sheppart, Dennis Molgaard, Dan Nova...(wow wish I could read that handwriting!) and Sue Minor. Of those 7 Dennis Molgaard was inducted as a new member this week. Yay! He is the Deputy Juvenile Officer for the 30th Judicial Circuit here in Webster County.

NASCAR: I know, I know, it's long past but did you see the winning car for the Daytona 500? Yes, yes, I know it was a Missouri boy but that isn't the most important part. Did you see the decals on the car? Created by our very own Rick Jones with Label Solutions.

PRESIDENTIAL CITATION: Committee Chairs, if you have not done so already do not forget to let Danny know what your committee is doing to enable us to receive the Presidential citation. The deadline to let Danny know was last Tuesday's meeting but you can probably still get your information in to him by the end of tomorrow.

PROGRAMS: Membership committee is responsible for March meetings. Unless my chicken scratches are wrong chairs are Jim Mayes and Larry Wilkerson. Members are Brian Brooks, Bill Dudley, Cheryl Wrinkle, Jamie Clark, Danni Padgett and Keith Housholder. I have already thrown 2 names at Jim and Larry for consideration. No, not taking over just had them thrown at me and so passing it on.

PROSPECTIVE MEMBERS: David Doherty has filled out an application. The 2 week comment period is passed but we may be waiting awhile to induct him due to his work schedule.

RESIGNATIONS: I have the sad duty to report that both David Martin is resigning and Dr. Bob Bareis has resigned. Both are citing health issues. Dave is planning to move to Springfield to be nearer to doctors and hospitals and hopes to join one of the Springfield clubs.

ROBERT GAULT: As you already know Robert is very ill and could use all the prayers possible. There is a

benefit dinner for him being held this Saturday, February 27th at the Nazarene Church at 226 Church Street. Entertainment will be provided. It will be a potluck of sorts if I have my notes right and with dinner beginning at 4:30 p.m. with entertainment throughout the evening. There is a reminder at the 4-way stop or you can visit the Chamber's website.

T-SHIRTS & CAPS: They are in and Danny is tired of lugging them back and forth. If you ordered a set it will be \$17 smackers. Call Danny to arrange a pick up or come to a meeting (especially those have not been attending and you know who you are!!!)

Whew, ok my brain is tired now. I'm gonna go take a nap.

Thank you,
